

Frédéric Latendresse

REDHAWKS-HOCKEY SCOUTING REPORT

Frederick did very well at Montreal Meltdown. He scored some big goals and he was an effective 2-way player. He is an hard working center that shows great energy and he is responsible defensively. He has a good IQ and he is able to create things with the puck.

He has decent hands and he can create plays. He has to become a faster and stronger player. He also needs to protect the puck better and to make quicker decisions under pressure.

Finally, he must still improve his face offs skill.
For now he is a Tier 2 prospect (College-JRAAA-etc).
